

**Thank you for participating in the New Balance Lap of the Lake.**

Some participants who walked the two laps missed out on their sample of Propel even though there was an additional 500 units of product supplied for the event.

The Propel sampling staff did their best to police the one bottle per person limit, however some early finishes took more than one bottle per person.

A big apology to those who missed out and please take the opportunity to drop into the Start to Finish office to pick up your sample of Propel.

For those who took more than one bottle please consider your fellow participants at future events
